Stewart and Pam had a conference call with Craig Forgette and 2 others from the Army Corp of Engineers regarding assistance with the Goose Bay project. Recommended was Section 206 of the Water Resources Development Act, Aquatic Ecosystem Restoration. Pam was emailed details, and they were told to send a letter of request, and to involve local government.

Stewart submitted application for treatment to DEC for 2017.

Laurie has been working with NYGL Basin Admin for further funding.

Town of Alexandria has submitted a grant with the GLRI. The grant which includes money to treat Goose Bay and Mud Lake, also includes the purchase of a harvester, dive equipment, and training town employees to become licensed herbicide applicators.

Larry ordered 3 more tons of Renovate, bringing the total to 12 tons. There was a price increase of 2493.00 a ton. He submitted all required paperwork to Chris Watkins for reimbursement. We have used all \$75,000 grant for 2016, and are waiting for 2 checks from Chris.

Jill suggested that we look into Liability insurance for GBRC.

Larry talked to Jim Regan from Patty Ritchies office about grant for 2017. Said he hadn't heard from Albany yet.

Pam talked about having a summer 50/50 raffle, another picnic at Krings Pt, and a Boat Cruise with Uncle Sams.

To Do:

Stewart: make appointment with Dale Hunneyman
Keep looking into NYGL Funding Opportunities for grants that may apply to us.

Pam: meet with Dale Hunneyman with Stewart
continue work on Section 206
look into setting up a new website.

Jill: Get information on Liability Insurance
Talk to Ron Thompson about boat cruise

Larry: contact P. Ritchie's office about update on grant

Next meeting on February 21st, 2017 at 6:30 PM at Jill & Larry's

Pam motioned to adjourn, Jill Seconded.
