

GOOSE BAY RECLAMATION CORPORATION  
P.O. BOX 111  
ALEXANDRIA BAY, NEW YORK 13607

The Goose Bay Reclamation Corporation has been collecting dues since 2009. These annual dues are collected in June and are renewed every year. Whether you are renewing your 2016 dues or you are a new member the amount remains the same (\$20 per family). We are requesting that you join or renew your membership as well as make a donation to help us continue treatment of the bay in 2016. This year we spent approximately \$40,000 on various studies, testing, herbicide, and application fees, to complete the herbicide treatment of forty acres in the bay. Our grant of \$25,000 did not cover the total cost, so we had to use GBRC funds.

We have developed a web site that will be updated periodically (savegoosebay.weebly.com). Please check it out and see upcoming events. Since e-mail addresses change and we are not notified, you can communicate with us through the website.

We look forward to seeing everyone at the annual meeting later this summer. Check website for details.
